A little more about the scholarships...

The portfolio of scholarship awards overseen by the PFLAG Scholarship Committee continues to increase, including scholarships funded through former and current PFLAG members, the Rob Benzon Foundation, San Diego Human Dignity Foundation, and the Raytheon LGBT STEM Scholarship, among others. The scholarships are awarded to LGBT high school seniors continuing on to higher education or full-time undergraduate and graduate students through a competitive application and essay process. The scholarship committee selects recipients based on commitment to their chosen field, financial need and academic achievement. It is worth noting that one of the earliest recipients of a PFLAG SDC scholarship was San Diego City Council Member, Todd Gloria. PFLAG SDC truly is launching leaders through their scholarship initiative!
